Red Hot Recorder Tutor 1: Descant Student

Synopsis

Laid out in a clear, simple way, Red Hot Recorder Tutor introduces the notes and the basics of music theory in digestible stages. With the free accompanying CD the children can play along and quickly make progress. They can clap along to the rhythm sessions, and copy the patterns played in the listening exercises. There are specially priced tutor packs for class teaching. The Red Hot Recorder Tutor Student copy contains tutor elements and the tunes, and the Teacher copy has piano accompaniments. Because teachers had found Razzamajazz Recorder useful, I decided to write the Red Hot Recorder Tutor/Method. The recorder is such a wonderfully versatile instrument that I wanted to write a tutor book that taught good technique, but was also fun and motivating. I wrote to lots of recorder teachers and asked them what they would like to see in a new tutor, and tried to provide what was needed." ~ Sarah Watts
