Customer Reviews

No need for price gouging here! Search for this item under "Make this Model Town". You will find a slightly older version of this exact model for less than \$10. Osborne makes four of these models of Medieval life that all work together - Make this Medieval Castle, Make This Medieval Town (Or Make This Model Town, under the older name), Make This Medieval Village, and Make This Cathedral. I used all four together for a class I taught, and the older copies work just fine with the newer copies. Shame on this seller for jacking up the price!

I enjoyed putting this little community together, though I no longer have it. When I moved, I had no place to keep it. However, a young father saw it on the back seat of my car and asked if he could have it for his children to play with. I hope they have enjoyed it as much as I did.

very easy to assemble but time consuming. this was used for a display for a medieval project for my sons school. they got an A
