Customer Reviews

The book showed the tough challenges in a teenagers life and how to deal with competition, people, peer pressure, and more. Pages filled with cartoons, quotes, and pictures. Great for any teen that wants to be successful in life.

I ordered the book to go along with the journal for each student in my juvenile court program. The teenagers enjoyed working in their journal and plan to use it after they complete the program. I highly recommend the journal for anyone reading, using or gifting a teen with the book.

I would not purchase this product again. I would prefer to see more information included on the journal pages to promote a student's thought process.
