Product Dimensions: 9.9 x 7.2 x 0.4 inches

Shipping Weight: 10.4 ounces

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #1,987,504 in Books (See Top 100 in Books) #68 in [Books > Children's Books > Education & Reference > History > Mexico](#) #234 in [Books > Children's Books > Geography & Cultures > Explore the World > Mexico](#) #2676 in [Books > Children's Books > Biographies > Historical](#)

Age Range: 8 and up

Grade Level: 3 and up

Customer Reviews

The cover photograph for "Pancho Villa: Mexican Revolutionary Hero" will undoubtedly challenge the expectations of any young writers who have heard of the legendary figure. But one of the points of R. Conrad Stein's volume for this series, A Proud Heritage: The Hispanic Library, is to talk about the man behind the legend. Within these pages you will find more traditional photographs of Villa, wearing a sombrero and bandoliers of ammunition, but you will also find a solid juvenile biography of the man who should be remembered for his military leadership and the role he played in the Mexican Revolution. Stein confronts the legends and stories that have grown up around the life of Pancho Villa in the book's first chapter, such as the story of why he became a bandit; a sidebar considers the question of whether this story is "Fact or Fiction?" Stein also explains that in Mexico a "bandit" has a touch of Robin Hood in him. The second chapter covers the beginning of the Mexican Revolution and how Villa led the people of northern Mexico during that time, including the Battle of

Ciudad Juarez. The next chapter looks at Mexican at War with Itself and how Villa was portrayed in the American press. Death of a Hero, the final chapter, tells of Villa's assassination in 1923, and a sidebar points out that between 1 and 2 million Mexicans died as a direct result of the war, versus 500,000 Americans killed during the Civil War. Given all that usually appears in American history textbooks about Pancho Villa is how General John J. Pershing pursued him into Mexico during the Wilson administration (although he might be referred to as the "George Washington of Mexico"), Stein provides a very informative book.
