Customer Reviews

If you enjoy journaling, or just like inspirational words to reflect on, this is a great product. I've been buying these journals for a few years and love the beauty of the pictures and inspiration of the quotes. I like to write some of my thoughts down, and this is a great resource for doing that. The journal arrived quickly and I was very pleased with the transaction. Highly recommend.

This was the second year I have purchased this journal. I always purchased My Daily Walk but evidently it isn't published any longer. I had a harder time locating this year's version of Journeying than last year. Works for what I wanted.

Got this to use as a journal regardless of the older date- good size for me to handle for taking my bible class notes.
