Customer Reviews

OMG... I am so impressed with the calendar (it has a little space for your goals)- But more

importantly I'm impressed with the seller. I mistakingly ordered a school calendar with half of the months gone and the seller to the initiative to anticipate that I actually wanted a 2015 calendar. NICE TOUCH!!! The calendar, itself is made of a high quality, thick paper that will not tear as the months go by. The pictures and quotes are awesome!! Thank you for a great product and customer service!!

Great motivational calendar! I bought 2 of these for my sons and they absolutely loved the inspirational quotes and pictures - they said it will give them the push they need to get up and exercise/train even when they don't feel like it. Seller was very accommodating with the orders & made sure I received them in time for the holiday. Excellent product.

My daughter manages a health club and she loves it in her office
