Customer Reviews

Out of the ridiculous amount of toys she got for Christmas, she has spent the most time chilling out with her Hidden Pictures book and a marker - happy as can be. :)

I got Highlights magazine when I was a child, and the first thing I did when I got each edition was to flip to the hidden picture. This is an entire book of the hidden pictures. They are great for waiting in doctor's offices, in the car, or on the plane. The drawings are simple (just like they were when we were children) and challenging for children. My boys are 8 and they love them. They liked them so much that their aunt sent them a hidden picture subscription for Christmas! :)

My Granddaughter and I enjoy reading the stories and working the puzzles together. She likes the riddles. They are great learning tools for children.

Thank you for sending the hidden picture book. I have been using it as thank you for working

reward. It was nice to have the book come so quickly.
