great film for kids to see adventure. good story line. fantasy and fun characters, ideas challenging as well. I recommend it to all parents or grandparents to order it and show it.

My grandson has two of the books from this series and has read them over and over again. I was delighted to find a new one for him.

This is a good book because it is about two friends who want to be pirates and they get a treasure chest. There are a lot of treasures to be found in this book.
