Customer Reviews

These are the best books, my kids absolutely love them. I like it because I don't have to tell them what they're supposed to be looking for, the picture is on the side of the page. The books are really big and have some great, very busy, illustrations. Once your kids have become experts on where everything is, there are more lists of things to look for on each page in the back of the book.

I bought this book as a gift for my son who loves look and find type books. This particular book was a hit because he's really into pirates right now. This book is nice and sturdy, and has withstood a little boys paging through it multiple times.

FOR KIDS FOR ALL YEARS IS VERY FUNNY AND EDUCATIVE LEARN AND SPEND TIME AT TIME, I RECOMENDED 100%IT IS FUNNY

My 9 year old grandson is an avid Pirate of the Caribbean fan and loves "look and find" books. This book is a little bit of a challenge for him so he at least has to hunt to find the items. He loves it. A great book for a young boy who is a "Pirate" fan.
