BLANK Sketchbook For Kids (Extra Large-Made With Standard White Paper-Best For Crayons, Colored Pencils, Watercolor Paints And Very Light Fine Tip Markers) (Volume 1)

Synopsis

Encourage your child to let their creativity flow with this blank sketchbook. This particular sketchbook was designed for small children who just want to be free to draw whatever they want. However, some older kids who like to draw are sure to enjoy this book as well. Includes 97 blank pages with a section at the top for your child to write the title. Kids can also color in the title box or ask an adult to help them choose a title. This book is also great for kids to who like to create sticker and glitter art. Combine this book with a sticker book for more creative options. One idea is to place sticker characters on the page and draw landscapes or other scenes around the characters. Some girls might also want to decorate the border of the page with glittery heart stickers. Create a theme for each page or simply see what your child comes up with on their own. The options are endless.

****Large 8 x 11 Drawing Surface **Durable soft paperback matte Cover. GREAT for road trips!!**

Combine this book with a doodle book and coloring book to give your child lots of options on long trips. PLEASE NOTE: We make this book with two different types of paper. Vol #1 is made with standard white paper, and Vol #2 is made with SLIGHTLY thicker cream-colored paper. The standard paper is best for crayons, colored pencils watercolor paints and light fine tip markers. The cream-colored paper is simply more durable and it works well for fine tip markers, water-based markers, crayons, light watercolor paints, colored pencils and other more heavy drawing materials. (However, the cream-paper is not intended for thick permanent markers). The title at the top will identify which type of paper you are getting.
