# Cute Overload Wall Calendar 2016

## Synopsis

OMGâ "so cute! This is the calendar that takes adorableness to the extreme, based on the blog that offers a sunny breakâ • (CNN) every day. Each monthâ 's spread features an irresistible full-color animal photograph: a fox having a stretch, a pair of lovable elephants, an otter with its tiny tongue peeking out. Not to mention floppy-eared bunnies, redonkulously cute puppies, and a penguin who just wants a hug. Each is the embodiment of a rule of cuteness, like a kitty striking an aw-shucks pose (Rule of Cuteness #6: Looking helpless is cute).

## Customer Reviews

I really ought to give this 0 stars and my husband almost threw it away. I bought this calendar for the kids and, unfortunately, they really love it. I knew they discovered it on the wall when I heard, "Awww, this is so cute. Where did it come from?" And, "Oh, look at this one. Oh, it's so cute!" So, yes. Full on cuteness wrapped up in a calendar. The down side is that the kids like to admire the calendar...all...the...time...to the point of nearly being late for school or not getting their teeth brushed or anything. In order to have a functional calendar in the house that doesn't distract the children, I may have to spring for a new one. Know where I can find a vegetable of the month calendar?

Disappointed again. Those giving 5 stars must not realize that there was a far better calendar for several years a few years ago (as opposed to one large and just one tiny photo, the calendars those years had the large photo plus about 25 small photos with funny captions dispersed among the

month's days).I don't know why this way better calendar format can't be produced over the entire year between calendar production start and end. It really makes me sad : ( I give the calendar 3 stars since it's of the same quality of the other similar calendars out there.

The giftee in my reddit exchange loved this!The animals are very cute and were exactly as described by the pictures given on . Some pictures are clearly better than others but that is mainly personal taste. The pictures are glossy enough to stand out and brighten up any mood or wall.I highly recommend this brand of calendar to anyone!

Could not be cuter! It is a little large for my desk area, so I got the Cute Overload mini-calendar, which is perfect. The large one will be displayed in my bedroom to start the day with cuteness.

I cannot wait to use this!!

Awwwwwwwwdorable as to be expected. It's a large size and each day offers a nice sized square for writing in your appointments and the like. You won't be disappointed with the monthly AWWWS!

Love the QTE. It gives me another year of Cute Overload. Sadly the website has been taken down. Meg has moved on in her life.

Definitely not the cutest calendar. January photo is a muskrat or ferret and not at all adorable.
