## Customer Reviews

My 8 year old son had a great laugh reading this book. In fact he wanted us to get all the other books in the series by James Marshall. Highly recommended.

My book is called Fox Outfoxed. The main characters are Fox, Louse, Carmen, Dexter and they are wanting to win a race and the race was in the afternoon. They were doing the race outside to have fun. I think fox Fox Outfoxed is a good book because it is about some animals that sometimes have adventures and go to school. That's why I think it is a good book. And I would recommend this to my sister, Katie, because she likes animals and there are lots of animals in the book. By Matthew Z.

Bought the whole set when one of my 2nd graders fell in love with them. We were so sad to look up the author to find he had died years ago. We wanted to write and thank him for these books!

Fun series. My 1st grader enjoys reading these over and over. I think she's very comfortable with the story line and movement. The Fox series has helped make her a more confident reader.

I like the part when he goes trick-or-treating. I liked the book kind of. He tells you about 2 stories in 1. I like the picture when he begins to get ready.
