Customer Reviews

It seems to be exclusive to, because I've never seen it or heard of it anywhere else! Great series, quick reads. Great for all ages. This is Pokemon. This is a lifestyle choice!

These books are in Japanese format meaning that they are backwards. Reading from back page first. Right side then left. There isn't a single picture that shows this nor is there anywhere in the description that says this. I would not have bought these for my kids had I known they were this way. It says they are "English" but aren't in standard English format. I would rate higher if there was any indication that they were in this format.

every time a new book comes out i have to have it, this one fills the wholes in my collection

book was not cut centered so some images are cut off

Fantastic book!:):)
