# Unicorn Thinks He's Pretty Great

## Synopsis

Ever since Unicorn moved into the neighborhood, Goat has been feeling out of sorts. Goat thought his bike was cool-until he saw that Unicorn could fly to school! Goat made marshmallow squares that almost came out right, but Unicorn made it rain cupcakes! Unicorn is such a show-off, how can Goat compete? When Goat and Unicorn share a piece of pizza, Goat learns that being a unicorn might not be all it's cracked up to be. And when Unicorn shows his admiration for Goat, it looks like the beginning of a beautiful friendship.

## Customer Reviews

I feel like it's only recently that pop culture has opened its eyes and realized that when it comes to mythical creatures, unicorns are the funniest animals. Sasquatches rank a close second and zombies have their laughs, but for out-and-out humor, unicorns beat all (there's a reason the "Charlie the Unicorn" vid was one of the first viral videos on YouTube). I say that and yet there hasn't been a single funny unicorn picture book out there that I could name off the top of my head. I say there hasn't been one . . . until now. And who else would have had the sweet twisted sense to come up with the world's greatest unicorn-related picture book other than Bob Shea? If you thrilled to his Dinosaur vs. Bedtime and were wowed by his New Socks then hold on to your hats folks. The

man has just outdone himself and the result is the funniest picture book I have read in years and years and years. Unicorn Thinks He's Pretty Great all right. And so will you. Poor Goat. He's feeling pretty downtrodden at the moment. You would too if you had to compete with someone like a Unicorn for attention. When Goat rides his bike to school no one notices him thanks to flying Unicorn. When he brings marshmallow squares ("that almost came out right"), Unicorn makes it rain cupcakes. When he tries to do a magic trick, unicorn turns stuff into gold. "I can't follow that!" Goat's content to mull over the situation alone, until Unicorn comes on by. First Unicorn cannot get enough out of Goat's goat cheese pizza (unicorns can't make cheese).
