Customer Reviews

My favorite calendar. I make this purchase every year after Christmas. (Great price!!!) The calendar hangs above my office desk and reminds me that I will be steaming down the Cali Coast in a few months.

This is a fine calendar for the money. The photography's fairly okay but there isn't much sheen to the pictures. What I normally buy is a calendar called ultimate sailing with phenomenal photography and it's much larger as well. This year didn't carry it. So I opted for this calendar.

This is a good book for someone who owns their own boat or who is interested in personal boats. For some reason I thought there would be Cruise line Ships on this calendar. I am a fanatic cruiser so I was looking for that type of calendar. Otherwise a person into personal sized boats would really like this calendar.
