Customer Reviews

I'd give it a half a star if I could. I thought I was buying a sailing wall calendar. What I received was a weird book-like calendar of really crappy quality. But if you're looking for a weirdly book-like calendar of crappy quality, this is it!!!

Agree with another posting - sadly I didn't read it before ordering. The "wall" calendar is small (note the size in the description) but the pictures seem to take about a third of the page, not filled in as it appears in the web picture. Very poorly produced calendar which I am returning. 1st time I ever returned an item ordered from .

Absolutely horrible! Not even worth the one star, actually. The photographs are cheap, unfocused, and blurry. A waste of money. If you made your own calendar at home using PhotoShop and your own pictures, and did an "OK" job, the end result would be better than this thing.

Worst item I have ever bought from . Horrible photos - tiny, low quality, cropped and bordered in odd silly shapes and "framing", No hole for hanging, cover opens left to right but pages open top to bottom. Looks like 4th grader's homework project. Note size: 8-1/2 x 8-1/2 inches.
