Customer Reviews

Having purchased - and enjoyed - the 2015 Wooden Boats calendar, I was expecting the 2016 calendar to be of the same high quality: it's not. All of the pictures are black and white except the cover and many are black and white versions of the same boats in the 2015 calendar. I am going to paste the calendar pages into my 2015 calendar. A disappointment. Later: taking the calendar apart to paste into my 2015 calendar, I notice that the pages look like they have been run thru a copier. In other words, maybe it WAS a color calendar and someone has copied the pages in black in white unbeknownst to the publisher??? All in all, not a good purchase.
