Knitting For Kids: Over 40 Patterns For Sweaters, Dresses, Hats, Socks, And More For Your Kids

Synopsis

Knitting for Kids is the one-stop guide for knitting a wide variety of clothing and accessories for your children in an economical way. With a range of modern to classic attire, your children are sure to be the talk of the playground—and you'll feel proud of your amazing knitting skills! With over forty patterns to follow, anyone can pick up a pair of knitting needles, grab a ball of yarn, and whip up a whole new baby or child's wardrobe in no time. If you are attending a baby shower, you don't need to buy an expensive gift. Just follow the simple pattern inside and create the perfect booties or blanket. Or what if your son needs a new scarf? Why don't you choose his favorite colors and make him one he's sure to wear with pride? Following the step-by-step photos and instructions, you can now knit your favorite niece a beautiful dress with matching hat, or dress up your newborn grandchild with a handsome cardigan. With seventy full-color photos and patterns, creating an adorable (and affordable) sweater or a fun pair of socks for that special child in your life will be a breeze!

Customer Reviews

I really enjoy these patterns. I like the varieties that are given as well as the variations in each. The patterns are classic in design so, they won't be out of style in a year or so. I have a library of outdated patterns that was given. I have tried to bring them into classics. On line I've discovered patterns that are classics from early 18 & 19th centuries. This book is a fantastic edition for any library. I really like that the sizes are for the actual sizes of a child and not the sizes found in retail.

All good patterns in this book. Next to the Debbie Bliss Kids books of knits, I think this one is a good one and a keeper.

The patterns are practical and pretty and very well written. I bought this book to help me prepare for my first grandchild. There is no better way to celebrate a child than to knit for him or her. And I will be working on several projects in this book. I especially like the Christmas Dress and the hooded cardigan. My only complaint is that in the kindle version, the pictures are not big enough and don't enlarge.

Very good book with a variety of sizes and styles -- easy to more detailed. Something for everyone with small children!

I bought this for my daughter in law who loved it. She plans to make many of the items for her daughter. They are all super cute.

Nice patterns. Looking forward to knitting many of them.
