Customer Reviews

We love Splat the Cat in my house; I'm just as excited to read the books as my daughter is. They are perfect bedtime reads; not too long, but very cute. I LOVE the illustrations—they are so over the top cute!!! In this book, Splat overhears his parent's talking about taking them to an amusement park for his sister's birthday..but he has to keep it a secret! Even from his best buddy Seymore! Can he do it??? Ah, the suspense ;) Love the books, crazy about the illustrations. My favorite Splat the Cat book is 'the overdue library book'.

Weeks after adding book to our daughters' library collection, they still love it! A delightful book and easy for our kids to follow.

Love the series!

Love splat !!!
