Little Chick: Finger Puppet Book

Synopsis

In this adorable new addition to the bestselling finger puppet series, watch as Little Chick hatches out of his egg and explores the springtime world. . . only to discover exploring is always more fun with friends! Featuring a plush finger puppet permanently attached to the book and peeka- boo holes in every page, Little Chick gives parents and children a fun, interactive way to play and read together.

Customer Reviews

I loved this little book however my 1 year old granddaughter is deathly afraid of it

Wonderful book. My daughter love the finger chick. However, you have to watch your kids that they don't throw some liquid on it because that will damage the book.

Great book for my young visually impaired daughter. My son loves too. Great price.
