Customer Reviews

This is a great book for children. Thick pages so no papercuts, but seems very expensive for a small book.

We received this book as a gift and our infant loves it! The rhyming is fun, the length is short, and puppet cow is very eye-catching. I'm sure we'll be reading this one for a while. Sturdy construction too!

absolutely adore these books. my daughter probably has the whole collection at this point and they are so unique that I always order them for baby showers and 1st birthdays. love love love

The storyline is cute! My son loves these books with the puppet. That movement t mreally interests him.
