# Wild Animal Babies! (Wild Kratts) (Step Into Reading)

## Synopsis

A Step 2 Step into Reading Science Reader about baby animals. PBS's hit animated show Wild Kratts follows the adventures of zoologists Chris and Martin Kratt as the duo visits animal habitats around the globe. Along the way, they encounter incredible creatures while combining science education with fun. Boys and girls ages 4 to 6 will dive into this deluxe Step 2 Step into Reading leveled reader with the Kratt brothers as they activate their Creature Power suits to creep, crawl, and cuddle with amazing animal babies of all kinds! This deluxe Step into Reading leveled reader features animal trading cards and eye-catching foil on the cover. Step 2 Readers use basic vocabulary and short sentences to tell simple stories. For children who recognize familiar words and can sound out new words with help.

## Customer Reviews

My son loved the book. The memory game cards, very cool. He carries them everywhere and asks everyone to play "creature powers" with him. He's gotten very good at it too.

My young 9 yr. old loves the Kratt brothers and enjoyed the books.

My 7 year old son loves this book!

We love the Wild Kratts show and all the Step into Reading books. My son loves when I read the books to him and ask him to find Kratts brothers on every page.

My daughter loves baby animals and this book is perfect. Martin and Chris Kratt create another great book for kids.

we love the wild kratts- especially the baby animals. my kids loved the animal cards at the back of the book.

My preschooler loves this book. It has really helped get him excited about animals. Awesome series!

Grandkids love this series of books. Great educational learning.
