School Ship Tobermory

Synopsis

Alexander McCall Smith, beloved bestselling author of *The No. 1 Ladies' Detective Agency*, delivers a delightful adventure on the high seas, filled with lots of mystery and excitement, perfect for middle grade readers! Children will be smitten with the charismatic characters, eye-catching illustrations, unusual circumstances, and exotic locales in this wonderful story about a school set aboard a ship. Come aboard as the kids set sail for their first adventure! Ben and Fee MacTavish are twins who've been homeschooled on a submarine. Now they're heading to the school ship *Tobermory*. This is no ordinary school—it's a sailing ship where kids from around the world train to be sailors and learn about all things nautical. Ben and Fee make friends as they adjust to life aboard the *Tobermory*. When a film crew arrives on another ship, the *Albatross*, Ben is one of the lucky kids to be chosen as a movie extra. But after a day's filming, his suspicions are aroused. Are the director and crew really making a film? Or is there a secret they might be protecting on the lower decks of the *Albatross*? Ben, Fee, and their friends set out to investigate, but are they prepared for what they might find?
