Teacher Created Materials - Early Childhood Themes: Las Ruedas En El Autobús (The Wheels On The Bus) - - Grade 2 (Literacy, Language, & Learning) (Spanish Edition)

Synopsis

A happy bus travels through a town, its wheels going round and round, in this charmingly illustrated version of the traditional song. This book has been translated into Spanish and allows for a wonderful shared reading experience for children who are just beginning to learn to read. The familiar rhyme and images help new readers "tell the story" either as they read or as they are read to.

About Shell Education
Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
