# Edwina, The Dinosaur Who Didn't Know She Was Extinct

## Synopsis

Two-time Caldecott Honor winner and New York Times bestselling author Willems introduces a lovable new character--a dinosaur who plays with kids and bakes cookies. Reginald Von Hoobie-Doobie is determined to prove dinosaurs are extinct, but what will happen to Edwina if anyone believes him?

## Book Information

Lexile Measure: AD500L (What's this?)

Hardcover: 40 pages

Publisher: Disney-Hyperion; 1 edition (September 1, 2006)

Language: English

ISBN-10: 0786837489

ISBN-13: 978-0786837489

Product Dimensions: 9.4 x 0.5 x 12.5 inches

Shipping Weight: 1 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (68 customer reviews)

Age Range: 4 - 7 years

Grade Level: Preschool - Kindergarten

## Customer Reviews

It would take a human being with the sense of humor of a bowl of moldy tapioca not to find "Edwina: The Dinosaur Who Didn't Know She Was Extinct" one of the funniest picture books of the year. I mean, I resisted reviewing it. Mo Willems needs no introduction any longer. His misleadingly simple style is what it is, as it is, as it shall be evermore. Basically, he does not need my help promoting his books. That doesn't mean, though, that it's not fun to do. Now the man in question has tried his hand on the standard large-animal-who's-friends-with-kids genre. You can keep your Cliffords and your Dannys with their dinosaurs, though. Color me an Edwina fan through and through (and that goes double for her chocolate chip cookies). If you live in town then you know Edwina. She's just your friendly neighborhood dinosaur. If she's not changing the lightbulbs on the streetlights then she's baking cookies for the populace at large. Edwina, let it be known, is a peach and everybody

loves her. Well... almost everybody. There is a little fellow by the name of Reginald Von Hoobie-Doobie that is seriously upset by Edwina's mere existence. Reginald is a smart fellow and if there's one thing he knows in this world, it's that dinosaurs are "totally extinct!" But no one listens to Reginald. In spite of his school reports, flyleaf explanations, protests, one-man-shows, etc. nobody is willing to listen to his dead dinosaur schtick. No one, that is, except Edwina herself. But when Reginald truly manages to convince Edwina of her extinct status, the results are not what he might have expected. Let's talk Reginald Von Hoobie-Doobie. As names go, this guy's one hip cat. I recommend reading the book with an exaggerated hoity-toity voice when saying Reggie's name more than once.
