Bridges 2015 Wall Calendar - American Society Of Civil Engineers

Synopsis

Bridges 2015 offers spectacular images of bridges from the United States and around the world. This calendar is a celebration of the unique blend of technology and art that is the hallmark of great engineering. Once again, this year's calendar also celebrates great photography! Every photo in the calendar was selected from entries to ASCE's Bridges Photo Contest. Each bridge photo appears with a description of its technical or historical significance, and the winners of the photo contest are identified. The photos selected for the 2015 calendar celebrate the form, function, and style central to excellence in civil engineering. Bridges 2015 is a full-sized wall calendar, perfect for jotting down daily activities or appointments.

Customer Reviews

A really beautiful and well-produced calendar every year. High quality pictures of interesting bridges. The bridges are not the typical bridges you always see, they are in far away and unknown places that are wonderful to see and learn about.
