Customer Reviews

I came across this photographer's work back in 1995, and have been in awe ever since. I teach music, and once a year I place an order for the calendars for myself and my student's parents who look forward to the amazing photography captured through the camera lens of Todd Caudle...

This calendar is absolutely gorgeous! No surprise. Todd Caudle manages to out-do himself each and every year. I generally have several of these wall calendars as well as the daytime calendar. These make great Christmas gifts for my family outside of Colorado and I have several friends at work who proudly display the new calendar each year.

You know, it's hard to put into words how beautiful Colorado is. No need for words, though, because Todd Caudle's photos will leave you speechless at the beauty he's captured. Being a Colorado native, Todd knows where to find the most spectacular scenery in the state. Being an artist, he knows how to inspire us with the awe he feels. Since I'm also from Colorado, I love to gift family & friends with Todd's calendars to share the joy of my home.

I was fortunate enough to attend a photography workshop with Todd Caudle. I was amazed at the

knowledge he had of Colorado and "where to be at the right time". His generosity and mastery still inspires me today. I have had a "Todd Caudle Calendar" for quite a few years, and am truly inspired by the new images that he is able to capture. Thanks again Todd for the experience.

Todd Caudle has spent his life tirelessly traversing Colorado to capture its natural beauty, and we reap the benefits of his efforts with his published works, especially his calendars. I look forward every year to a new one. Each image can only be described as breathtaking. Mr. Caudle's talents at landscape photography cannot be overstated.

I have gotten this calendar every year. The scenic photos are absolutely stunning. Todd Caudle is a very talented photographer. These images are so lovely you could even frame them. Calendars make great gifts too. You won't be disappointed!!

These photos are some of the most beautiful I've ever seen. Todd knows how to capture the spirit of a landscape, it's energy. I am amazed and know that I will enjoy looking at these images all year, and more that I am sure are to come.
