Customer Reviews

IF YOU'RE SOMEONE LIKE ME AND PLAN ON CAUSING AN END OF THE WORLD APOCALYPSE OR JUST WANT SOMETHING TO PASS THE TIME BY LEARNING ALL OF THE UNIVERSE'S DARKEST SECRETS(EVEN THOUGH I ALREADY KNEW THEM ALL!) THEN I HIGHLY SUGGEST YOU BUY THIS BOOK! SURE, ITS NOT THAT DURABLE (IT COULD HARDLY SURVIVE GETTING BURNED! HAHA) NOR IS IT THE ENTIRE COLLECTION, BUT IT IS A PRETTY INTERESTING READ ABOUT MY POSSIBLE FUTURE SLAVES AND THE GUY WHO WROTE IT SURE KNOWS HOW TO LEND A 'HAND'. THIS BOOK WAS DEFINITELY WORTH SELLING MY LEFT EYEBALL FOR! CAN'T WAIT FOR JOURNALS 1 & 2!

If you are a fan, just buy it. Don't second guess it. You won't live to regret it. It's fun. It's exciting. It's humorous. And it's everything you ever wanted in a Gravity Falls book. This is the biggest and best! It has lots of awesome pictures and other fun things inside to enjoy.

It's an action-packed punch that will knock you off wherever you are. Secrets, action, adventure, fun, codes, pictures, you name it - it is all there inside this voluminous treat. An amazing book and a real treat for all fans! Gravity Falls: Journal 3 is the official real-life canon Journal 3, containing information from the show, and Dipper's notes. Though primarily designed for grade 3-7 level and the age group 8-12, the hugely popular and humorous book has been lapped up by readers of all shapes and sizes. Written by Alex Hirsch and Rob Renzetti with superb illustrations by Andy Gonsalves and Stephanie Ramirez, Gravity Falls: Journal #3 is a hardcover release comprising nearly 300 pages. A must-have for all the fans!

You can really see how much time and effort went into creating this journal. It is an EXACT replica of what is on the show. It's really amazing, especially for the price. It's really good quality and I recommend this to anyone who watches Gravity Falls or even hasn't seen it yet. P.S.- Dipper's real name is actually said in this. If you can't find it, it's on the page called "The True Theory of Weirdness" towards the end of the book :)

Wow, I cannot believe the art, dedication, and completely professional look, feel, and smell, (wow), of this replica of Journal 3. This is a magnificent representation of the Journal itself from the show and I for one am extremely impressed. I thought it was going to be smaller, BUT THE JOURNAL IS A PERFECT EXAMPLE OF HOW THE SIZE AND TEXTURE IS IN THE SHOW. If you are a true die-hard fan of the show, this is obviously a must have. However, I bought a black light and still couldn't find any traces of invisible ink. I guess I shouldn't be too surprised since that would be too difficult to reproduce copies of it. But buying the black light made me feel like I came prepared. :) My YouTube Review: [...]

At first, I was a little disappointed because the front cover had the GF logo and the Disney logo. But, it's just the book sleeve, and once removed, it looks just like the book in the show. It's very long, and every page is so beautiful and unique; they even have the Bill Cipher page from the show. It's really beautiful and high quality. I really recommend this to any fan of the show, no matter what age.

Honestly I was just expecting a weird little "Disney product" book with like show trivia and just one or two pages from the show but oh. My. God. This thing is a beast and I'm so happy? I'm so content with this book. This was everything I wanted and more. I'm just so happy with it I can't even explain it. It's massive and incredible and the quality is amazing I would have happily paid twice the price for

it. I'm elated as hell. Thank you. I highly recommend this to anyone who enjoyed the show kids and adults alike. Note: do not leave open while cats are about.

I can't believe how amazing this book is! It's as if the Journal from the show was taken right off the screen. I love that the cover can come off so you don't have the Gravity Falls logo right on the cover.

The book brims off almost every single detail of the show, Gravity Falls, that I've ever seen. Hats off to you, Alex Hirsch!!
