Customer Reviews

My 3 year old niece loves this

Keeps my 1 year old busy; I wish the pages were a bit durable. They rip rather easily.

As expected

My almost 2 years old grandson loves the book.

2 year old girl loved this as she is learning her letters and shapes

It was not as extensive as I had hoped.

Very small book not worth the money.

This is a great book. My 3 yearold loves to try and trace the shapes and enjoys coloring in it. Quiet time activity for the win!
