Customer Reviews

About 10 years ago we bought our Sticker Passport U.S.A. booklets. Our kids have tracked all their travel. Now it seems there is only one way to get one more for our 4th child and that is by some seller trying to turn a \$3.50 item into \$120! Please do another printing Rand McNally!

I was very fortunate to get a like new copy at a decent price! For some reason I thought it was a regular sized book (I didn't look at the dimensions), but this is a perfect passport size. Perfect for our cross-country trip coming up! Every page was clean and all stickers were in tact! I wish they would get these back in print again.

I bought this passport years ago for myself the first time I traveled cross country. I wanted to buy a

copy for my three children and am SHOCKED to see people selling a 3 dollar item for 100+! Are you crazy?!?!?

I have never own one of these books but desperately want to buy one for each of my three children. However, I feel like \$100-400 is a rip off for a paperback item that was made for children. I really hope that they reprint this item.

We too have 2 kids who have enjoyed filling this in over the years. We had a third child 3 years ago and I'm bummed to see the market price at \$120. Please Rand McNally, reprint!
