## Synopsis

A group of frogs are living happily in a peaceful pond, until they discover a surprise visitor: a little pink pig. Sitting contentedly on a rock in the middle of their pond, the pig opens his mouth and says: RIBBIT! The frogs are bewildered at first, and then a bit annoyedâ "What did that little pig just say?", "Does he think he's a frog?", "Is he making fun of us?"â Soon the pig draws the attention of all the nearby animals; everyone is curious to know what he wants! After much guessing (and shouting) and a visit to the wise old beetle, the animals realize that perhaps the pig was not there to mock them after allâ "maybe he just wanted to make new friends!"â But is it too late?â This is a warm, funny, and beautifully illustrated story of friendship, with boisterous RIBBIT!s throughoutâ "perfect for reading aloud.

**My Review**This adorable book took a creative twist when a pig decides to be a frog. The book reminds me of others that I have read that are similar in style such as A Porcupine named Fluffy. This is a very cute book with wonderful illustrations, especially in the faces of the animals A simple but profound theme is found throughout the book of friendship, fitting in and acceptance. The book makes good use of water-color, and has plenty of simple words that your kids and read along with you and very delightful group of creatures are found throughout. Would recommend this book for ages 2-7.
