Customer Reviews

Such a clever design, love putting this in the kitchen (as a family calendar) Can easily whip up a recipe if you're feeling super Aprilly or Mayly, because the recipe corresponds to what you're feeling that month. Would definitely get again. It's like a cookbook+ a calendar, 2 for 1, super worth!

I really wanted this 12 month calendar but I ended up with a mess! It included Jan (twice), Feb, Dec(twice) Sept & October. No other month was included. This is not a quality product.

I received my calendar, however, it contains only January, February, November and December.... Repeatedly. Not joking. I've never seen a calendar so screwed up.

I had the same print error - missing several months and repeats the 4 months it does have. should pull this item - I'm attempting to return.

I love the calendar; however, it was missing March - August and the months that were printed were

duplicated. Very weird.

Unusual with artsy recipes to enjoy. Large spaces for memos.

It's colorful and fun without being too messy. The recipes are cool and interesting, but also very simple. Everyone who's walked into my house since I hanged it, complimented me on it.

What a cute calendar! I was looking for something for my kitchen, and loved that this one had recipes! I am a huge foodie so this calendar was perfect for me.
