Customer Reviews

I love the compact size of this calendar book! I've tried larger ones, but they are too bulky and they don't have a convenient pocket for notes or coupons, etc. I'm able to keep everything all in one place! And standard or smaller sized sticky notes fit perfect on the pages.

I love moleskin products. I just wish that they would space the rules pages a little wider. I can't imagine whose handwriting is small enough to comfortably fit within the ruled areas. Other than that, this is a well made medium-long form weekly diary or schedule.

My life is in this notebook. Small enough to fit in small handbags, and big enough to be able to write down everything you need. Love the weekly calendar layout that allows you to write extra notes on a fully lined page right next to the week breakdown. Doesn't have room for lots of extra notes, so this is more fitted for scheduling & memo-ing purposes

I use this calendar every day since I have an odd work schedule as a nurse and we schedule monthly. It is a great size to carry daily and has enough space to fit all the details. The quality is top notch as well. They really last through the entire year.

Product arrived as advertised, I just don't prefer the layout only going by day and not week when all is said and done. I ordered both the Weekly Planner and Weekly Notebook to figure out which I preferred moving forward and I feel the Weekly Notebook just gives you more options for planning and organization.

Smaller than I expected but I should've looked at the dimensions. Great notebook! I'm pretty rough with my belongings but this has stayed bound and the hard cover has been protective. Definitely buying this again next year

Love this notebook. The goal for this was something I could carry in my pocket that could replace some of the features of my smartphone, namely reminders and calendar. This is the perfect size and the bookmark is helpful. It has some nice features in the front and back as well, but also a few that I'd rather be absent that seem outdated or pointless. Otherwise, a fantastic item for the price.

I love Moleskine, all of their products. They're like McDonald's, you know you're gonna get the same thing, whatever you order, wherever you are.
