Customer Reviews

This is a standard calender for 2016. Standard size of a wall calender. The photos are from the album *Four* and include Zayn. On each boys birthday there is a cute pic on the day to remind you of their birthday. Great quality and I purchased this because I got the mini calender for Hanukkah but Zayn wasn't featured. Happy with this product and it was a great price!

Came Quickly, the pictures are nice and vivid, would order another calendar from Browntrout again.

It's stamped as a Collector's edition. My daughter loves it, of course. Pretty sure it's the last calendar you'll see all 5 members on. Sigh.

Very disappointed. I got a 2015-2016 calendar, meaning it includes August-December 2015, and January-July 2016; so I only got half year and didn't get the 2016 Calendar that the title says.

My daughter loves One direction. It is Christmas tradition for her to get a new 1D calendar. She loved it. Great colors and great pictures of her favorite band.

This was a gift for my OneD loving granddaughter. Good quality and thick paper that her little hands can change without easily tearing. She loves it.

I don't like it, I love it love it love it oh ohhh. Seriously, I missed zayn and these pics are beautiful yet still recent

This was my daughters favorite gift. Great quality photos and thick pages
