The New York Times Crossword Puzzles 2016 Day-to-Day Calendar: Edited By Will Shortz

Synopsis

For over sixty years, The New York Times has been presenting its readers with the ultimate in crossword puzzles, and has become an icon of American culture and leisure. The New York Times' Crossword Puzzle aficionados know that the Monday puzzle is the most readily solved, relatively speaking. But don't let it fool you. As the week goes on, the puzzles grow more difficult--and the satisfaction in discovering the mystery behind each clue grows greater, too. Every puzzle overflows with surprises, learning opportunities, and just plain fun. Their clues are delectably clever as well as challenging. Solving them can be joyful, maddening, and always broadening. With these crossword calendars, readers are guaranteed a calendar year of incomparable stimulation and rewards.

Customer Reviews

Last year the publishers goofed and the pages were one day ahead by July. For example, Tuesday's puzzle was actually a Wednesday puzzle. Consequently, the puzzle for January 1, 2016 was the same as the puzzle for December 3, 2015, as they fixed the mismatch. I am hoping that a similar problem does not occur this year. All in all, though, I like these puzzles, especially the Friday and Saturday challenges. I wish only that they could include the Sunday puzzles somehow.

We've been ordering this for years, but this will be be last time. When a started the puzzle for 1/1, I recognized it from a puzzle I completed a few days before. Today, 1/2, I also recognized the clues from a recent puzzle. Sure, clues can repeat, but this was much more than that. If they're going to recycle entire puzzles, at least they could mix them up a little better!

Bought this as a gift for my wife as she pretty much would get the paper JUST for the crossword puzzle. A few days into 2016 and she's loving it. This is the NY Times Crossword Puzzle, so expect a solid challenge, but with 365 of them, there's enough here to keep even the most prolific crossword puzzle fan engaged.

I've been ordering this day-by-day New York Times crossword puzzle calendar for YEARS now. I can't start my day without my crossword! (There is no Sunday puzzle, so you have to buy a Sunday puzzle book to make sure you have a fresh crossword every day of the week.) Worth every penny.

I purchased this with the Mensa crossword puzzle-a-day. This is by far superior. It gets progressively more difficult (although Wed is usually the most difficult) thus challenging my husband. We do like the "quicky" Monday reprieve, especially if we get behind on them.

First puzzle was same as one in December 2015 calendar. Type could be a little larger. But I must start my day with one of these puzzles. What to Charge: Pricing Strategies for Freelancers and Consultants

Print was way too small for my 89year old mom! Love the idea of a puzzle for each day!

I bought this for my mother for Christmas. She loves it. There is a great variety of puzzles, but the font of the clues is a little small, which makes it a little difficult to complete at times.
