Customer Reviews

This book is ok, but still not what I look for. The CD record is very poor quality. I am native speaker, but even I have hard time to understand some words in the songs. Can't say my kids like it. What I look for it's a book written in English-Russian with transcriptions and pictured.

It is okay but generally it is not worth the money. I would not advise this as anintroduction to Russian for a child.

A fun book to help learn some Russian although you need more than this to teach you Russian. This is more like an added supplementary book for the study of Russian.
