It's helping me to learn German. This is about the level I'm on :-))It's fun to read to the little ones - teaching them German as well.

I love the idea of the book. The art is cute. The read is a little awkward however it's free, on Kindle. The price is worth the read.

Very awkward German, mediocre illustrations. I "read" it to my infant daughter for now but I do not recommend it. I am sure there are better bi-lingual books.

German was awkward. I don't recommend.

Bok is smaller than expected, a very short story
