RATATOUILLE IS ANOTHER SPECIAL LITTLE GOLDEN BOOK AMONG THE MANY I HAVE ORDERED FROM YOU! MY GREAT GRANDCHILDREN LOVE TO BE ABLE TO HOLD THESE LITTLE BOOK AND THE ILLUSTRATIONS ARE ALWAYS ENCHANTING! I SPEND MANY HOURS ENTERTAINING THE CHILDREN WITH MY VAST COLLECTION OF "A LITTLE GOLDEN BOOK" STORIES!

First, my three year old son fell in love with the movie. So I had a feeling this book may be a hit. I purchased the book three months ago, and he is every bit in love with it as the movie. Not a day goes by we don't read about Remy's adventures. He requests it every night at story time... I'm pretty sure I know this one by heart! I would also like to add that I love Little Golden Books. Aside from the fact they are great value, I grew up on them myself. And now I'm delighted to see my son reading them with just as much love and enthusiasm.

My 3 year olds like these "novelizations" of their favorite pixar movies. Obviously, the plot is really stripped down to make it fit in a small book, but the main elements are there in a way that little children can understand. This one is pretty good compared to some of the others. Not 5 stars, but worth buying.

I gave this book to my sons girlfriend last christmas. It is her favorite movie and i thought it would be fun to give it to her. Wrote a nice little message to her as well inside the book. Fun Gift!!

What can I say my 4 year old grand daughter loves me to read this book to her over and over again. Of course its as much as I love reading this book to her over and over again!

I got her this book because she watches the show and i had gotten her the caricatures so this was a great way to see them in the book.

For the price, I think these books are good. These stories aren't too long and give off a good story line. Not too bad.

bought to display on a party themed table and keep for a nice memory and for the future grandbabies
