May The Stars Drip Down

Synopsis

May the stars drip down light on you, And you close your eyes to see the moon, And sleep will pull you through. May the starlight find you. — Thus begins the gorgeous lullaby — May the Stars Drip Down — by indie rock band Cub Country, now adapted into a beautiful bedtime book with illustrations by the acclaimed cut-paper artist Nikki McClure. McClure's tender and intricate images, inspired by nature and the intense bond between parent and child, perfectly complement musician Jeremy Chatelain's soothing lyrics. An audio download of the song is also included. Praise for May the Stars Drip Down: **STARRED REVIEW** "A richly imagined dreamscape in a feat of paper artistry." --Kirkus Review, starred review "Soft, lovely, and just right for a dreamy bedtime read-aloud." --Booklist **Award: NAPPA Silver Award Winner**

Customer Reviews

This is a darling bedtime book. Open it up and in soft blue tones, the endpapers show a parent and a child tucked in bed, reading a book. then, page by two-page spread, a soft dreamscape unfolds. As intriguing and non-sensical as any dream, the dreamscape unfolds into yellows and whites, signifying the morning light that 'comes gently in.' The back endpapers, in colors of yellow and blue, show an empty bed as well as some of the objects that were found in the dream poem.

Absolutely beautiful words and lovely art to match. Great book for a special birthday.

A lovely book gifted as a christening present
