Customer Reviews

Really fantastic calender. Im a pagan mommy, and im obsessed with fairies, but not so much the overly cutesy pics, these ones were well drawn, and beautiful. Really great art, im gonna frame some of it on my wall.

I love fairies and fairy-like creatures and realms. I've been buying Josephine Wall's calendars for the past decade or so. This year I stumbled across this calendar and decided to give it a try. I love it. If you like fairies, this calendar is for you. All of the pictures are very pretty and I have no regrets about switching. I will be looking for a similar calendar next year as well. I'm very happy with this purchase.

The art & fantasy is amazing! The calendar is very well made with all the holidays & events you'd expect in a commercial calendar! There's only one very minor issue: It would be even more spectacular if they got rid of the border on the pictures for each month! It is still exceptionally spectacular & I would highly recommend it to friends & anyone else!

It was exactly what my family member wanted. She is not allowed to have ringed calendars. was the first one that I thought of when she wanted a calendar with fairies. She loved it.

This calendar is simply magical. Great quality and so very beautiful.

The pictures in this calendar are so ethereal. I love it!

BEAUTIFUL art work will look lovely hanging on my wall
