Llewellyn's 2016 Steampunk Calendar

Synopsis

Explore a fascinating alternate reality where the past and future converge into a blend of magic, mystery, and machinery. Llewellyn's Steampunk Calendar presents gorgeous illustrations by John Blumen, whose stunning artwork has been featured on a myriad of publications, including the Arthurian steampunk novel Camelot Burning. Each month depicts men and women living in a world that unites historical elegance with imaginative technology.

Customer Reviews

I'm a huge fan of anything featuring Steampunk fashion or design. (If I were 35 years younger I would ROCK this look every day of my life!!)Alas, I must settle for getting my fix of Steampunk fashion through other sources, and this calendar hit the spot. I ordered this along with another one from the same genre, and plan to laminate my favorite pages and use them to decorate the walls of my upstairs hallway.(yeah--it's a pretty eclectic house!!).Can't think of a better or more inexpensive way to get a great collection of artwork than through a calendar. Loved it!

Most pictures are what I was looking for since I just wanted a steampunk image that you could looked at the whole month. Better than the one I had last year and will buy next year's version.

John Blumen is so talented. I love this. I wasn't expecting the artwork to be this amazing but it exceeded expectation. There's so much more detail than you can see in the previews.

Beautiful imagery for this calendar. Glad I found it and look forward to getting one every year.

I love it!! and I get many complements from people who see my calendar at work :)

Unsure why it's asking for story narration. It's a calendar. A beautiful one.

This was a gift and they are into Steam punk so it was perfect they loved it.

Bought this for a friend as a gift, she loved it.
