Customer Reviews

Interesting quotes and trivia, but thought there would be pictures to go along with the quotes. Still a nice desk top calendar, but could have been improved with photos like previous calendars.

Don't buy this calendar if you want photos. It has lots of fascinating facts, but absolutely no photos. The description doesn't make this clear. If it had, I wouldn't have purchased it.

This showed some real initiative and hard work, finding quotes from characters across all of the films and TV series...a nice little surprise for each day of the week.

Christmas gift for son-in-law who loves anything Star Trek. He was very pleased with the one I got him last year.

Nice quotes and trivia. Last year's had almost nothing from the JJ Abrams movies, which is a definite bonus.

I bought this daily calendar for my granddaughter who is a great Star Trek fan. I'm sure she will love it.

Christmas present for daughter's work desk. She's liking it and posted a clip online today.

A must for any Star Trek fan. I look at it every day.
