Clara Barton proved that even shy people can do great things and overcome their fears. It is very inspirational! (I loved seeing my daughter reading for enjoyment!!)

I really liked this book because I really like to learn about different people. To know who Clara Barton is and what she did is very exciting. People who like reading about famous people and what they did would really like this book.

I ENJOY READING ABOUT HISTORY ...I THINK CLARA BARTON WAS A VERY BRAVE PERSON AND I WOULD LIKE TO WORK WITH THE RED CROSS SOME DAY AND HELP PEOPLE.

Gave books to grandkids for Easter. Too much candy rots the teeth, but a good book expands the mind. As luck would have it, Granddaughter needed a biography for a book report. AND there it was!

Kids read for fun and homeschool. We love all that we've read so far from this series.

This book made a great Christmas gift for my 9 year old grandson who loves to read about American History

Great kids book of the early life of Clara Barton, As an adult, I also enjoyed it.
