Customer Reviews

The calender itself is very cute and would look really nice on any wall, and it arrived way ahead of the estimated arrival time. There were slight dents at the corners of the calendar but it's something I can ignore. Would definitely purchase again for 2015.

What's not to love? It's the Poohbear! There were only one or two 2014 wall calendars featuring my fave bear, and this one is very, very cute. The illustrations are sweet, and it makes me smile every time I walk into the kitchen. The paperstock is adequate--not as flimsy as the calendar I was stuck with last year, so I shouldn't have to deal with the corners flopping over.

I love it! It's hard to know what you'll get ordering online, but the calander is perfect. The pictures are great! I am using it as a second keepsake calander for my daughter and there is plenty of room to write in the boxes. I am very happy with this product!
