## Customer Reviews

This is the second year we've used this Advent calendar. My five-year old daughter LOVES Rudolph and remembered her calendar from last year and wanted the same one this year. I was happy to find it on again. The only issue I have with this calendar (and it's VERY minor) is that it has 25 windows to open (as opposed to most that have only 24). This was only an issue because my 6 year old had a calendar with 24 windows and wasn't happy to learn that her sister had an extra window! :)

This calendar was really cute and made of heavier paper/cardboard material. My 5-year daughter loved opening up the windows each day.

Very cute. Popular with my niece.

It took do long for them to get here I couldn't give them out for christmas!Otherwise good.
