Customer Reviews

My son loves super heroes, especially Batman and Superman. We already had one of the books in this collection, but for the price, I could not pass this one up. It contains 3 stories - Batman!, Superman! and Big Heroes. All are about a 3 minute read and perfect for bedtime stories, as with any Little Golden Book. My only complaint is that the colors in this were very washed out (as compared to my original copy of one of the stories) and faded. I do not know if this was just the copy I received, or was part of the publishing of this collection. It was a let down as the nice bright colors I was expecting were replaced by a book that seemed to be printed on a printer that was almost out of ink.

I love it. Rather, my 4 year old son loves it. This is one of the books he goes back to every time for bedtime stories. He loves superheroes, especially Superman, and can recite pages of this book from memory. Much better quality buying these Little Golden Book Collections rather than the originals which tend to not last as well. Each story takes about 5 minutes to read, so we often end up

reading all 3 in a sitting. The 3 stories are Batman!, Superman! and Big Heroes.

Cute stories, I bought to get my 3 year old boy more interested in story time. It worked great! Would buy more similar titles.

these are good stories. glad to have this one in our collection. i kinda want to leave work and go home and read this right now

Super cute book with three different superhero stories.

Great, kid-friendly super hero stories!

Very kid-friendly to a 4 year old!
