Customer Reviews

I buy these Star Trek calendars every year for my Star Trek themed computer room. Even though I have seen every episode dozens of times I still enjoy looking at what scenes they chose for the current year. If it's one I haven't seen in a while I break out the Blu Ray and watch it. The scene selections are always good but the quality of the images are just OK. It's more of a film grain screen capture look vs glossy photo but i enjoy it every year and still give it 5 stars due to the material.

Seriously I love the fact that these calendars exist. I have been a Trekkie all my life (well since I was 6) and I love getting up every morning and looking at a calendar that gives me a flash back of an episode. Bravo. Other than that it is a calendar what can I say it's a full year jan - Dec.

Boo hiss! My calendar arrived with only January through February and September through

December. says I cannot file a claim. I hadn't noticed until it came time to flip it over to March. I guess it would be a nice calendar, but since most of the year is missing it kinda stinks.

Since I'm a fan, couldn't resist getting this. Have the one for this year, and it's nice to reminisce about the episodes. The pictures are very clear. There are little tidbits about the actors, or the episode on each month.

Our 12 year old son is a REAL Trekkie (he is watching an episode of DS9 as I am writing this review). A local TV station runs episodes of TOS every Saturday evening and that is where you will find us. We buy him the current offering of this calendar every year and it hangs proudly in his bedroom.

I've been getting the Star Trek OS wall calendar for 20 years now. I love it! Always colorful and fun, varied scenes and snapshots. I've yet to regret ordering one. On a somber note, wishing a safe journey to Leonard "Spock" Nimoy on the final voyage home. I miss you already, Mr. Spock. I know it is not logical, but it is true.

I bought a Star Trek Calendar for my wife who was a big fan of the original show, and have continued to buy one even though she passed away almost 6 years ago.

the price was good and i was able to get it without searching a calendar place much appreciated
