Customer Reviews

I thought this was a wall calendar but it's more of a planner. The pages are too thin to use markers which is all I use so it makes the backs of pages unusable. I'm going to use it for budgeting so I can do with out backs of pages. Lovely pages to color though.

Not what I expected. I wish the photos would show pictures of what this planner looks like inside. First off, the planner is the size of a sheet of paper (which was probably listed in dimensions/description but I didn't pay attention). Secondly, it is laid out in calendar form with the whole month on one page with maaaaaybe 1.5 in x 1.5 in boxes to write tasks into. I was hoping for a normal planner lay out so it is just not what I was looking for or expected to receive. Cool concept

though as far as a coloring calendar, which is why I give 3 stars bc if this and what I described above is what you're looking for then go for it :)

This is a pretty good calendar and the drawings are nice. The spaces are kind of small to write very many things on each day. The extra "To Do" lists and other extras are nice as well. My biggest complaint is the fact that there is a misspelled word in one of the pictures. Did anybody edit this? It seems so strange to me that this was allowed to be sold with such an obvious error.

MY REVIEW: I have already started coloring my calendar! I cannot wait to keep track of my workouts, diet, exercise and activity in 2016! I love the monthly quotes, and places to write your notes, goals, events, to do list and there is also a place to make your own doodles! This calendar is a MUST for lovers of coloring and those that want to keep track of their daily activity!! I just love this calendar and think this quote (featured for January) sums up the wonder each new year brings: A New Heart For A New Year, Always: Charles Dickens! 5 stars!

Very plain and simple. Not what I was looking for.
