## Customer Reviews

The Bioware store was out of stock when we wanted this calendar, and getting shipping (instead of paying Bioware's shipping rates) was a nice bonus. It's the exact same calendar friends of mine have gotten direct from the Bioware store, and we're happy with it. Design-wise, it would have been nice to see a variety of Inquisitor races/classes (or to have seen the advisors instead of 3 pictures of the default human warrior), but it looks like Bioware (or whoever made the calendar) used art they already had on hand from trailers or other promotional materials, so I guess we can't be too picky.

This is a very beautiful calendar. The boxes are big enough to write notes in should you wish to. The pictures are outstanding. This is a calendar that I will keep for those pictures after this year is over.

Really great art work. I love all of these games

Awesome calendar! The art is amazing!

Excellent quality product

Great Calendar! The dates are clear and there is plenty of space to write notes. The pictures are very vivid. After the year is over I think I will keep a few of the pictures and frame them.

I'm a fan of Dragon Age Inquisition and other Bioware RPG's. I'm sure I'll buy next year's version of a Bioware RPG.

It came very quickly. I am very pleased with this calendar. The pictures are terrific and it is a nice big size.
