Customer Reviews

I thought I bought a smaller calendar, but I goofed. So I took this calendar to work instead of hanging it in the kitchen. I find myself reading the quotes multiple times through out the day while I am working. I gave it 4 stars because the writing is LARGE and would like the quotes smaller with a pretty picture, but....the font being so large may be the reason why I look at it so often. Many of them I will be saving and framing to hang through out the house.

I love Primitives by Kathy quote blocks and quotes - I bought this for myself and one for someone else - they are great quotes and reminders and the calendar format is awesome...so happy I purchased these - will forever get my calendars from Media Universe...they shipped out quickly and the product was packaged well - no bending...Thanks!!!

I like the calendar and love the 'wall words' effect but some of the sayings could be a little more inspirational using words with more value.

Thanks it's perfect and was more affordable than the one at Barnes and Noble. Great gift for me

and a friend!!

I love quotes and I love calendars. This one is a hit for me, ticking all the right boxes: large graphic letters, black and off-white, with a hint of vintage. Will order again for 2015!

This is my second year with this calendar. I love it. The quotes are practical and timely. So good my daughter took last year's copy to post in her barracks. Awesome!
